## Make a Difference and Celebrate with Kulanu (All of Us)

### Work with Kulanu on Your Mitzvah Project

When you light the candles on the Menorah with your family and friends during Hanukkah, or go to a seder on Passover, do you know that Jews in Uganda, India and El Salvador are doing so, too?

Kulanu (Hebrew for "All of Us") is a non-profit organization founded in 1994 that supports Jewish communities around the world in Africa, Asia, Latin America, and the United States. Kulanu helps these communities, and connects them with other Jewish communities. All of our Jewish lives are enriched as we learn from each other.

### How Can I Get Involved?

Visit our web site to learn more about how we help kids like you plan mitzvah projects ([www.kulanu.org/mitzvahprojects](http://www.kulanu.org/mitzvahprojects)). Then fill out our contact form to let us know you're interested in working with Kulanu.

Here's one great way to support Kulanu: Write a letter about Kulanu and how important our projects are to you. Send it out with the invitation to your Bar/Bat Mitzvah; even if some people can't come to your big day, they can still contribute to your mitzvah project! (We must approve your letter before you send it.)

There are many possibilities for your Kulanu mitzvah project. Visit [kulanu.org/mitzvahprojects](http://kulanu.org/mitzvahprojects) for lots of great ideas.
